**Position description for:**

Part-Time Graphic Designer (20-29 hours/week)

We are seeking a creative, passionate Graphic Designer to add to our team. This position is for an individual who can contribute to the collaborative design process and take designs from concept to final production. The successful candidate will enjoy a fun working environment where their creative minds are challenged daily. Job responsibilities include: designing and creating print ads, branding/identity materials, brochures, posters, billboards, websites, and web banners. Candidates must be able to show examples of these skills as well as competence in typography, photography, proofreading, composition, writing, deadlines, time management, and teamwork.

**Minimum Qualifications:**

- Bachelors degree in Graphic Art, Graphic Design, Fine Arts or equivalent experience
- 5+ years of professional design experience
- Demonstrated experience designing for digital medium
- Knowledge of HTML and/or language editing software a plus
- Expert in InDesign, Illustrator, Photoshop and other image editing software
- Photography & Illustration experience a plus

To apply submit a digital portfolio, resume, and references to [jobs@peppershock.com](mailto:jobs@peppershock.com).
